

**New Hampshire Department of Health and Human Services
Patient Identification Bracelets and Software System**

ADDENDUM #4

**RFP-2019-NHH 03-PATIE
Patient Identification Bracelets and Software System**

On December 13, 2018, the New Hampshire Department of Health and Human Services published a Request for Proposals soliciting proposals for the provision of a patient identification system for New Hampshire Hospital (NHH). The Department is soliciting proposals from qualified vendors to provide a system for producing wristbands that will be worn by patients.

The Department is publishing this addendum to:

- 1. Delete and replace Section 6, Proposal Process, Paragraph 6.2, Procurement Timetable, with the following:**

6.2 Procurement Timetable

<u>Procurement Timetable</u>		
(All times are according to Eastern Time. DHHS reserves the right to modify these dates at its sole discretion.)
